The director and Technical Assistant Consultant met on this date because the center voluntarily requested TA. The center is in Good Standings, but has requested assistance with Diapering, Hygiene, Physical Hazards, Discipline, Supervision, and Training. The Technical Assistant Consultant will provide individualized TA/Training for each teacher. The director and Technical Assistant Consultant discussed the TA Agreement and agreed that the TA Agreement was not necessary. Duration and length of time will be determined based on the needs of the teachers. The Technical Assistant Consultant will start working with the Teachers on January 22, 2018.
