This Monitoring Visit is the second regulatory visit for The Playhouse this 2016 - 2017 fiscal year.

The center director stated she continues to work with the Quality Rated Program and hopes for an assessment visit and rating soon.

The consultant discussed SIDS / Safe Sleep with the infant staff and center director.

The consultant reviewed all staff files and finds a satisfactory fingerprint criminal records check clearance determination letter on file for each employee.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Reminder: All employees of child care programs must be fingerprinted before **January 1, 2017**. For instructions and to submit records check applications online, please visit www.decalkoala.com. You are encouraged not to wait and to complete the process as soon as possible.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance.
