Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.10(3)(a) requires that if diapers are changed on a diaper changing surface, the surface shall be smooth, nonporous, and equipped with a guard or rails to prevent falls. Between each diaper change, the diaper change surface shall be cleaned with a disinfectant and dried with a single-use disposable towel. It was determined based on observation that a staff member did not disinfect the diaper changing surface after changing a diaper.

POI (Plan of Improvement)

The director responsible person(s) will ensure there is a smooth, nonporous changing surface that has a guard or rails for safety in each classroom that houses children wearing diapers. The director will ensure Center Staff are trained and have adequate supplies to properly clean the diaper changing surface between each diaper change.

Correction Deadline: 6/22/2017

Finding

591-1-1-.10(5) requires Center Staff to wash their hands with liquid soap and warm running water immediately before and after each diaper change they perform and prohibits Staff with diaper changing responsibilities from being simultaneously assigned to kitchen food preparation duties. It was determined based on observation that a staff member did not wash their hands immediately after a diaper change.

POI (Plan of Improvement)

Center Staff will be trained to wash their hands correctly before and after each diaper change and the director or designated person will monitor to ensure correct procedures continue to be used. The Center will institute and follow procedures that ensure Staff responsible for diaper changing are not simultaneously assigned to kitchen food preparation duties.
