Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

**591-1-1-.36 Transportation(CR)****Not Met****Finding Associated with Complaint**

591-1-1-.36(4)(f)1. requires that all transported children be secured in a child passenger restraining system or seat safety belt in accordance with current state and federal laws and regulations and according to manufacturer's directions. It was determined based on staff statements obtained during the course of an investigation and an incident report submitted by the center's director, that on August 30, 2017 a four-year-old child was not secured in an approved and required child passenger restraining system while being transported on the center's vehicle. Staff statements revealed that the child was restrained only in a seat belt and was not using a booster seat as required.

**POI (Plan of Improvement)**

The Center will ensure that manufacturer directions and state and federal laws are met when using child passenger restraining systems and seat safety belts.

**Correction Deadline: 9/5/2017**
