Comments

The purpose of today's visit is a monitoring visit and a follow up for any previous rule citations. The center does not transport children or dispense any medication.

Plan of Improvement: Developed This Date 03/12/2019

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), e-mail the following information to CCSRefutations@dec.state.ga.us.

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://dec.state.ga.us/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

.08(6) - This citation was observed to be corrected on this date. All children present had been signed in for the day.

Facility

591-1-1-.19 License Capacity(CR)**Met****Comment**

Licensed capacity observed to be routinely met by center.

591-1-1-.25 Physical Plant - Safe Environment(CR)**Technical Assistance****Correction Deadline: 8/1/2018****Corrected on 3/12/2019****.25(3) - This citation was observed to be corrected on this date. All the sinks had handles.****Technical Assistance**

591-1-1-.25(3) - The consultant observed the wall behind the eating area to have peeling paint. The director stated that the paint started to peel when they removed the posters for Quality Rated to rearrange the room. The director stated that the area would be covered up until it could be permanently repaired.

Correction Deadline: 3/12/2019

591-1-1-.26 Playgrounds(CR)**Not Met****Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that on the back fence behind the walk ramp there is a hole in the fence material that measured five inches wide and six inches tall.

POI (Plan of Improvement)

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

Correction Deadline: 3/12/2019**Finding**

591-1-1-.26(9) requires the playground to be kept clean, free from litter and free of hazards, such as but not limited to rocks, exposed tree roots and exposed sharp edges of concrete. It was determined based on observation that there were four active ant beds located on the playground in the following areas: behind the jeep, behind the boat, in the right hand corner of the fence, and at the back of the fence in the middle to the side of the walk ramp. Additionally, there was several pieces of Spanish moss on the playground.

POI (Plan of Improvement)

The Center will remove any litter and fix or remove hazards from the playground and will routinely monitor the playground and remove litter and hazards.

Correction Deadline: 3/12/2019

Health and Hygiene

591-1-1-.10 Diapering Areas & Practices(CR)**Met****Comment**

Staff state proper knowledge of diapering procedures. Two-step cleaning process was discussed.

591-1-1-.17 Hygiene(CR)**Met****Comment**

Proper hand washing observed throughout the center.

591-1-1-.36 Transportation(CR)**Met****Comment**

Center does not provide routine transportation.

Sleeping & Resting Equipment

591-1-1-.30 Safe Sleeping and Resting Requirements(CR)**Not Met****Finding**

591-1-1-.30(1)(a)2 requires that a crib mattress is firm, tight-fitting without gaps, at least 2 inches thick and covered with a waterproof, washable material. Before a change of occupant, each mattress shall be cleaned with a disinfectant. It was determined that one of three crib mattresses had a tear in the vinyl covering preventing it from being waterproof and cleanable. Additionally, all three crib mattresses were observed to be pulling up at the corners and not firm and tight fitting in the crib as required.

POI (Plan of Improvement)

The center will ensure that a crib mattress is firm, tight-fitting without gaps, at least

Correction Deadline: 3/12/2019**Finding**

591-1-1-.30(2) requires the Center to provide a safe sleep environment in accordance with American Academy of Pediatrics (AAP), Consumer Product Safety Commission (CPSC) and American Society for Testing and Materials (ASTM) recommendations as listed in these rules for all infants. Center Staff shall place an infant to sleep on the infant's back in a crib unless the Center has been provided a physician's written statement authorizing another sleep position for that particular infant that includes how the infant shall be placed to sleep and a time frame that the instructions are to be followed. When an infant can easily turn over from back to front and back again, Staff shall continue to put the infant to sleep initially on the infant's back but allow the infant to roll over into his or her preferred position and not re-position the infant. Sleepers, sleep sacks and wearable blankets that fit according to the commercial manufacturer's guidelines and will not slide up around the infant's face may be used when necessary for the comfort of the sleeping infant. Swaddling shall not be used unless the Center has been provided a physician's written statement authorizing its use for a particular infant that includes instructions and a time frame for swaddling the infant. Center Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as but not limited to toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items and shall not attach objects or allow objects to be attached to a crib with a sleeping infant, such as, but not limited to, crib gyms, toys, mirrors and mobiles. It was determined based on observation that there were two one-year-old children asleep in cribs one had a pacifier attached to their clothing and the other had a pacifier with a stuffed animal attached to it.

POI (Plan of Improvement)

The Center will take all steps necessary to provide a safe sleep environment for infants as listed in these rules; will train Staff to follow these rules; and will monitor for compliance.

Correction Deadline: 3/12/2019**Technical Assistance**

591-1-1-.30(4) - The consultant discussed with the director about covering the rest cots when they are not in use to limit children's access to the cots during play time now that the cots are stored in the classroom.

Correction Deadline: 3/12/2019
