Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Children's Records

591-1-1-.08 Children's Records

Not Met

Finding Associated with Complaint

591-1-1-.08(6) requires the Center to maintain records of a child's daily arrival and departure for the twelve (12) preceding months that the Parent or person(s) authorized by the Parent documents, in written or electronic format, each time the Parent or authorized person drops off and picks up the child. The documentation shall include at least the date, the child's name, the arrival and departure times, and the signature or initials of the Parent or authorized person at the time of arrival and departure. These records shall be made available to the Department in printed or written form upon request. It was determined based on consultant's review of records and staff statements during the course of an investigation that not all children are being signed in and signed out by a parent or authorized person at the time of arrival and departure.

POI (Plan of Improvement)

The Center will maintain arrival and departure records as required, will ensure the documentation includes all of the required information, and will provide the records to the Department when requested.

Correction Deadline: 10/13/2017

Staffing and Supervision

Finding Associated with Complaint

591-1-1-.32(7) requires that children be supervised at all times and that the persons supervising in the child care area be alert, able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the chaperones and Students-in-Training, and provide timely attention to the children's actions and needs. It was determined based on consultant's review of records, staff interviews and staff obtained during the course of an investigation, that on October 9, 2017 a three-year-old child was left in the restroom of Suite 400 unsupervised from approximately 5:52 PM to approximately 6:30 PM. A review of records and staff statements indicate that on October 9, 2017 at approximately 6:15 pm the father came to pick up the three-year-old child and was told by staff that the child had been signed out by the child's teacher at 5:52 pm and had been picked up by the child's mother. The father left the center and returned to the center approximately 10 minutes later, around 6:30 pm, stating that the three-year-old child had not been picked up by the mother. The staff member and the father found the child alone in the bathroom of Suite 400 with the lights off and the classroom empty.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

Correction Deadline: 10/13/2017
