Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. 591-1-1-.09(1)(d) requires each Employee and Center Director hired on or after January 1, 2014 to have a satisfactory Fingerprint Records Check Determination with a Records Check Clearance date that is within 12 months of their hire date. In order for the Department to issue a satisfactory Fingerprint Records Check Determination, each Employee and Director must submit both a Fingerprint Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on review of records, that one staff member hired on August 18, 2016 had a local records check. The requirement for the employee was to complete the fingerprint clearance.

**POI (Plan of Improvement)**

The Center will ensure that each director and employee hired after January 1, 2014 has a satisfactory Fingerprint Records Check Determination dated within 12 months of the hire date and will submit the required documents to obtain the determination if they have not already done so.

**591-1-1-.32 Supervision(CR)****Not Met****Finding**

It was determined based on consultant's observation that upon arrival at the center, there was no staff present with the children in classrooms (B), (C), and (D).

**POI (Plan of Improvement)**

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times. The director will ensure that there is enough staff at all times to prepare meals, and maintain supervision of the children in care.
