Plan of Improvement: No Plan Developed

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

**591-1-1-.10 Diapering Areas & Practices(CR)****Not Met****Finding**

591-1-1-.10(4) requires that if diapers are changed on a diaper changing surface, the surface shall be smooth, nonporous, and equipped with a guard or rails to prevent falls. Between each diaper change, the diaper changing surface shall be cleaned with a disinfectant and dried with a single-use disposable towel. It was determined based on observation that the changing pad in the infant room had a 5" inch cut in it and a small tear about the size of a dime, causing it to expose the sponge and not be smooth and nonporous.

**POI (Plan of Improvement)**

The Center will ensure there is a smooth, nonporous changing surface that has a guard or rails for safety in each classroom that houses children wearing diapers. Center Staff will be trained and have adequate supplies to properly clean the diaper changing surface between each diaper change.
