Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.08(2) requires Center Staff to maintain a file for each child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations for each child enrolled in the center on a form approved by the Department, and to allow no child to continue enrollment in the Center for more than thirty (30) days without such evidence. It was determined based on a review of records from the Carroll County Health Department on September 27, 2021, the center had 87% compliance and on October 27, 2021, the center had 87% compliance.

POI (Plan of Improvement)

Center staff will have and use a plan to track immunization forms for all enrolled children and to ensure the form or affidavit are obtained from the parent or guardian within 30 days of enrollment. Parents will be informed their child cannot remain enrolled in the center without this documentation.
