<b>Findings:</b>	
General: Based on Interview, a staff member took ten (10) to eleven (11) children to the bathroom. A three (3) year old child was sitting on the floor next to a storage closet. The closet door came ajar and as the teacher went to shut the door back she accidentally shut the child's finger in the bottom part of the door. The child's finger was lacerated and the tip of the finger was fractured. She ended up getting four (4) stitches.
