**922 KAR 2:090. Section 11. Staff Requirements.**

(3) For a child-care center licensed for infant, toddler, or preschool-age children, at least one (1) person on duty and present with the children shall be currently certified by a cabinet-approved training agency in the following skills:

(a) Infant and child cardiopulmonary resuscitation; and

(b) Infant and child first aid.

(4) For a child-care center licensed for school-age children, at least one (1) person on duty and present with the children shall be currently certified by a cabinet-approved training agency in the following skills:

(a) Adult cardiopulmonary resuscitation; and

(b) First aid.

(5) Cardiopulmonary resuscitation (CPR) and first aid training shall be in addition to the fifteen (15) clock hours requirement in subsection (16) of this section.

**Findings:**

The child care center failed to maintain employee records in accordance with regulatory requirements. Upon review of documentation and interview with the director, the child care center director did not present verification that there was any staff with a current certification of CPR/ First Aid employed by the center on 6/8/2021 when a child was injured and an ice pack was applied.
