Supervision	Not In Compliance
90 - Children Supervised	Not In Compliance
922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who ensures the child is: a. Within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice;	
Findings: General: Based on Interview, the child care center failed to maintain adequate supervision in accordance with regulatory requirements when two staff left a child asleep inside while the rest of the group went outside to play. The group left the room and went outside at approximately 2:45 PM. The five year old child woke up on her own and walked outside on her own about fifteen minutes later. The employment of both teachers was terminated as a result of the incident.
