922 KAR 2:090. Section 10. Director Requirements and Responsibilities.	
(1) A director shall:	
(I) Assure the health, safety, and comfort of each child;	
Findings:	
General: Based on interview with staff and director, the surveyor found that two (2) three-year-old children were restrained to their chairs on 04/26/19 with a belt type harness for biting, fighting, and not keeping their hands to themselves. The director stated that since this incident, they have thrown the harnesses away. Both staff and the director acknowledged using the belt type harnesses to restrain children when they would not stay in their seats or were fighting; therefore, the children's health, safety, and comfort were compromised.
