 1. High school diploma;
 2. GED or qualifying documentation from a comparable educational entity; or
 3. Commonwealth Child Care Credential as described in 922 KAR 2:250;

General: Based on interview with the staff-in-charge, the surveyor discovered that the personnel file of one (1) staff (DOH: 9/30/21) did not contain documentation of education in the form of a high school diploma, GED, or Commonwealth Child Care Credential. Staff-in-charge stated that the central office probably had a copy of the documentation and had not forwarded it to her for the employee's personnel file.

 - (c) Fifteen (15) hours of cabinet-approved early care and education training completed between July 1 and the following June 30 of each subsequent year of employment in a child care program, including one and one-half (1 ½) hours of cabinet-approved pediatric abusive head trauma training completed once every five (5) years.**
- (17) A staff person's compliance with training requirements of this section shall be verified through the cabinet-designated database maintained pursuant to 922 KAR 2:240.**

Findings:

General: Based on review of documentation, the surveyor discovered that no date was listed in ECE-TRIS indicating that one (1) staff (DOH: 6/17/22) completed six (6) hours of cabinet-approved orientation training; during review of employee personnel files, the surveyor did not find documentation indicating that staff completed orientation training.  - e. The name and phone number of each person to be contacted in an emergency involving or impacting the child;**
 - f. Authorization by the parent for the child-care center to seek emergency medical care for the child in the parent's absence;**

Findings:

General: Based on review of documentation, the surveyor found that the files presented for review for two (2) children (DOE: 8/16/21 & 8/24/22) did not contain the name or telephone number for the preferred hospital; therefore, the child-care center failed to maintain children's records.
