Supervision	Not In Compliance
90 - Children Supervised	Not In Compliance
<div>922 KAR 2:120. Section 2. Child Care Services. (3)(a) Each center shall maintain a child-care program that assures each child will be: 1. Provided with adequate supervision at all times by a qualified staff person who ensures the child is: a. Within scope of vision and range of voice; or b. For a school-age child, within scope of vision or range of voice;</div>	
Findings: General: Based on interview, the childcare center failed to maintain adequate supervision in accordance with regulatory requirements. Interviews revealed a two-year-old child was left unsupervised in the Two's classroom for an undetermined amount of time ranging from thirty (30) seconds to ten (10) minutes while the child's class walked to the gym. Continued interviews revealed staff members were unaware of the child's whereabouts until the child was located and returned to the gym.
