Non-compliance

The premises in the playground area are not safe in that a child was at a water fountain alone, located outside of the playground fence (adjacent to the parking lot, no separating fence from the parking lot) and children were outside in the playground area while the temperature was at 100 degrees. (Some were participating in water play and some were not). Director stated that the children were sent out when the temperature was at 98 degrees. .

Corrective Action Plan

The safety violation will be corrected and a system for routine safety inspection developed.
