**Comments**

The purpose of the visit was to conduct a ITA visit. The TA consultant introduced herself to the management staff, discussed TA services, the history grid and provided resources to the provider on this day. No goals were developed on this day due to it being an introductory visit. The owner would like to receive services and CR training. All information will be reviewed by Mrs. Yolanda the owner then she will contact the TA consultant to schedule a visit. Further follow up will be made per the provider's request.
