Staff Records

290-2-3-.21 Criminal Records Check(CR)**Not Met****Finding**

290-2-3-.21(1)(i) allows that a Provider may accept a satisfactory determination letter issued by the Department for a potential Employee (including a Student-in-Training with a Records Check Clearance Date before January 1, 2016) as sufficient evidence of that individual's Satisfactory Records Check Determination if the Records Check Clearance Date is within the preceding 12 months from the hire date, and the Provider does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined that an employee was hired January of 2018 to work within the center. The center was observed to have a satisfactory clearance letter that was issued from our Department May 2016. The clearance was observed to be older than one year, therefore it is no longer considered to be portable. The staff member must obtain a new clearance letter. A one day letter was left with the center.

POI (Plan of Improvement)

The Home Provider will ensure that all portability requirements are met.
