Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. 290-2-3-.11(2)(f) requires that poisons, medicines, cleaning agents and other hazardous materials be in locked areas or inaccessible to children. It was determined based on observation that the storage closet in the hallway did not contain a lock. Cleaning agents were accessible to children in care.

**POI (Plan of Improvement)**

To ensure the safe storage of hazardous items, the home provider will make these items inaccessible to the children. Discussed adding a lock to the door of the hallway storage closet.
