Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.09(1)(i) requires that if the Center accept a satisfactory determination letter issued by the Department for a potential Director or Employee as evidence of that individual's Satisfactory Records Check Determination, the Records Check Clearance Date must be within the preceding 12 months from the hire date, and the Center does not know or reasonably should not know that the individual's satisfactory status has not changed. It was determined based on review of staff files that a staff member hired in October 2016 had a criminal background check letter on file that was only portable until January 8, 2015.

POI (Plan of Improvement)

The Center will ensure that each potential Employee bringing a satisfactory determination letter issued by the Department has a Satisfactory Records Check Determination that is dated within the preceding 12 months from the hire date. The Center will not employ individual's whose satisfactory status has changed.
