1	The director is having the landscapers cut the grass very low on the outside and inside of the fence to ensure that it measures at least 4 feet high. The director and staff will keep a watch on the fence to make sure it stays at least 4 feet high in all areas.	Director	03/13/2018	In-Progress	03/22/2018	3-22-18 The provider has put chicken wire to add inches to the fencing. The consultant looked at the chicken wire and suggested that she cover the fence with the green tarp used in other areas of the playground to make sure that there are no sharp edges accessible to the children.
