Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

591-1-1-.08(a)-(f) requires Center Staff to maintain a file for each child while such child is in care and for one year after that child is no longer enrolled that includes the following information: (a) child's name, birth date, sex, address, living arrangement, name of school if applicable; (b) names of both Parents, home and work addresses, and home and work telephone numbers; (c) name(s) and addresses of the person(s) to whom the child may be released including address, telephone number, relationship to child and other identifying information; (d) name(s) and telephone number(s) of person(s) to contact in emergencies when the Parent cannot be reached; (e) name and telephone number of the child's primary source of health care; and (f) known allergies, physical problems, mental health disorders, mental retardation or developmental disabilities which limit the child's participation in the program. It was determined based on consultants review of children's files that one of four files reviewed was incomplete and missing doctor/clinic information.

POI (Plan of Improvement)

Center staff will develop a plan that includes how to obtain all required information for currently enrolled children and how to ensure this is done for future enrollees as well. The plan will also include how and where to maintain files for the required amount of time. The plan will be implemented and followed.
