**Comments**

The Consultant met with the provider and explained the Criminal Record Check / Fingerprinting process. The consultant and Director/Provider completed two applications in Decal Koala. The Provider will need to have her fingerprints as well as her spouse, helper and collage aged child residing in the home for the summer. The consultant will follow up on the status in a few days. As a courtesy, the consultant will mail a copy of all final letters to the provider once they are all completed.

No goals were created on this date.

The provider was reminded of hazards and keeping them inaccessible.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

	<p><b>Reminder:</b> All employees of child care programs must be fingerprinted before <b>January 1, 2017</b>. For instructions and to submit records check applications online, please visit <a href="http://www.decalkoala.com">www.decalkoala.com</a>. You are encouraged not to wait and to complete the process as soon as possible.</p>
