The Consultant conducted a follow up on this date. The goal is still in progress.

5/16/18- Per the CRC Dept. The provider's Mother in Law's Record check is still pending. It was faxed to the FBI/GBI for a name search request on May 4, 2018. As of this date it has not been faxed back. The process can take sometimes 6-8 weeks. At this time, it was stated that she is allowed to reside in the home until this process is complete and there is nothing further the provider needs to do.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).
