Plan of Improvement: Developed This Date 08/10/2017

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

	<p>Reminder: All employees of child care programs must be fingerprinted before January 1, 2017. For instructions and to submit records check applications online, please visit www.decalkoala.com. You are encouraged not to wait and to complete the process as soon as possible.</p>

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. Finding

290-2-3-.08(2) requires the Home to maintain a file for each Child that includes evidence of age-appropriate immunizations or a signed affidavit against such immunizations; enrollment in the Home may not continue for more than 30 days without such evidence. It was determined based on a review of records that one of two children enrolled did not have evidence of a current immunization record. The immunization was observed to expire on January 20, 2017.

POI (Plan of Improvement)

The Home Provider will ensure that an immunization record/signed affidavit is on file for each enrolled Child.

Finding

290-2-3-.13(2)(d) requires that outside play areas be protected from traffic or other hazards by fencing or other barriers at least four feet in height and approved by the Department. Fencing material shall not present a hazard to children. A fence shall be provided around swimming pools to make them inaccessible when not in use. It was determined based on observation that the fence was measured at 4 inches on the outdoor playground space.

POI (Plan of Improvement)

The Home will enclose the outside play area(s) with a four-foot high fence or other Department-approved barrier and inspect regularly to ensure fencing material is safe and any hazards identified are repaired or replaced. The Home will install or repair a fence around swimming pools that makes them inaccessible to children.

290-2-3-.11(o) requires the Home control pets and other animals to maintain proper sanitation and ensure animals are not a hazard to anyone. No animal that may be vicious is permitted on the premises while children are present. Farm animals cannot be housed within 500 feet of the home. It was determined based on a review of records that the provider had two pit bulls on the premises.

POI (Plan of Improvement)

The Home Provider will ensure that proper sanitation is maintained and that animals are not a hazard to anyone on the premises of the Home. Any animal that may have a vicious propensity, shall not be allowed on the premises of the Home any time children are present. Any farm animals on the property, must not be housed within 500 feet of the Home.

If the Employee has only a satisfactory Preliminary Records Check, the Employee must obtain a Fingerprint Records Check Determination before January 1, 2017. It was determined based on a review of records that a resident in the home did not have evidence of a satisfactory records check determination before January 1, 2017.

POI (Plan of Improvement)

The Home Provider will ensure that every employee has a Satisfactory Determination as required by the Rules.
