Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

**591-1-1-.26 Playgrounds(CR)****Not Met****Finding Associated with Complaint**

591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency.

It was determined that on August 5, 2019, there was no resilient surface beneath or in the fall zone of the monkey bars when a five-year-old child fell. The child was sitting on a bar of the equipment that was approximately 28 inches off the ground. He leaned slightly backwards and fell on his arm. Center staff rendered first aid. The child's parents and 911 emergency services were called. The child was transported to the hospital via ambulance and was diagnosed with a serious arm injury.
