Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Finding

290-2-3-.21(1)(b) requires every Provider to have a current and valid satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before residing in the Home. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the license date; provided, however, if the Provider has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on review of records that staff member #1, date of hire August 25, 2005, did not have evidence of a current and valid satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while children were present for care. The consultant verified that the provider submitted a records check application to the department and completed the fingerprinting process on August 22, 2019. A one day letter was left.

POI (Plan of Improvement)

IMMEDIATE CORRECTION - The Home will ensure that the Provider has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Home while any child is present for care or before an individual age 17 or older resides in the Home. The provider must view the A to Z Background Check video units pertaining to this records check rule and return the signed affidavit within one week from this visit date. The Home will complete and sign video affidavit to ensure the CRC rules are maintained.
