Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Children's Records

591-1-1-.08 Children's Records

Not Met

Finding Associated with Complaint

591-1-1-.08(1) requires the Center Staff to maintain a file for each child while such child is in care and for one year after that child is no longer enrolled. In order for the file to be complete, the file shall contain the following: child's name, birth date, sex, address, living arrangement, name of school if applicable; names of both Parents, home and work addresses, and home and work telephone numbers; name(s) and addresses of the person(s) to whom the child may be released including address, telephone numbers, relationship to child and to Parent(s), and other identifying information; name(s) and telephone number(s) of person(s) to contact in emergencies when the Parent cannot be reached; name and telephone number of the child's primary source of health care; and a statement regarding known allergies, physical problems, mental health disorders, mental retardation or developmental disabilities which limit the child's participation in the program. It was determined that the center did not have a complete enrollment information for a child as the family's address was incorrect and the family had not lived at the listed address for several years.

POI (Plan of Improvement)

Center staff will develop a plan that includes how to obtain all required information for currently enrolled children and how to ensure this is done for future enrollees as well. The plan will also include how and where to maintain files for the required amount of time. The plan will be implemented and followed.

Correction Deadline: 7/17/2017

Health and Hygiene

Finding Associated with Complaint

591-1-1-.07(2) requires Center Staff to immediately notify Parents and obtain specific instructions until the child can be picked up or returned to the group when professional medical attention is required, or when the child experiences symptoms of moderate discomfort such as elevated temperature, vomiting or diarrhea and to notify Parents by the end of the day when professional medical attention is not required, when the child experiences symptoms of less than moderate discomfort or when the child experiences an adverse reaction to prescribed medication which does not constitute moderate discomfort. It was determined that the center did not immediately notify the parents on June 26, 2017, when an 11-year-old child sustained an injury while on a field trip after another child pushed a swing that hit the child in the head. The child received professional medical attention and was diagnosed with a concussion.

POI (Plan of Improvement)

The Center will provide notification and obtain instructions as required and will train Staff to familiarize them with the notification requirements and the Center's procedures for following them.

Correction Deadline: 7/17/2017

Safety

591-1-1-.13 Field Trips(CR)**Finding Associated with Complaint**

591-1-1-.13(5) requires Center Staff to have emergency medical information on each child who goes on a field trip that includes allergies, special medical needs and conditions, current prescribed medications required to be taken on a daily basis for a chronic condition, the name and phone number of the child's doctor, the local medical facility the Center uses in the area where the Center is located, and the telephone numbers where the parent can be reached. The emergency medical information shall be left at the Center as well as taken on the trip in the possession of the adult in charge of the trip. It was determined that on June 26, 2017, the center did not have an emergency medical form for a child who was injured on a field trip.

POI (Plan of Improvement)

Center Staff will review emergency medical information for each child who goes on a field trip and obtain any missing information. The Center will ensure that this information is in the possession of both the Center and the required adult on the trip.

Correction Deadline: 7/17/2017

591-1-1-.36 Transportation(CR)**Finding Associated with Complaint**

591-1-1-.36(7)(c)3. requires that the driver or other designated person document in writing the time of arrival and departure each time the vehicle departs from the Center, is loaded or unloaded at each school and when the vehicle returns to the Center; each time the vehicle departs from the Center, arrives at the location where any child is picked up or dropped off and when the vehicle returns to the Center; each time the vehicle leaves the Center, arrives at a field trip destination, leaves a field trip destination, and returns to the Center. It was determined that staff did not document arrival and departure times to and from the center and the field trip destination on June 26, 2017.

POI (Plan of Improvement)

The Center will ensure that each time of arrival and departure is documented by the driver or designated person with training, review and monitoring.

Correction Deadline: 7/17/2017
