TA Consultant conducted a walk through of the center. The appropriate number of cribs were observed on site on this date (pictures were mailed previously). The center is maintaining previously developed goals and action steps. TA Consultant discussed the next training available for Non Core Rule Training on October 13, 2018.

The center is currently participating in Quality Rated.

No new hires since the previous visit.

If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
