The TA Consultant conducted TA by phone today with Ms. Gunter today.

We discussed the previous visit on this date. Ms. Gunter explained that she had already secured First Aid and CPR training as well as Health & Safety training.

We discussed keeping all receipts handy and these could be used towards the fine.

The fine is still in process therefore, it has not been assigned yet. Once it has been assigned, a consultant with that unit will reach out to you and any money spent on training as discussed can go towards the balance of the fine and a payment plan can be discussed at that time.

The TA consultant will reach out to you on 11/4/19 around 10:00 am to discuss meeting face to face to come up with a plan to ensure all areas are corrected and that you maintain the corrections. At this time we can discuss training that I can offer to you free of charge.

Please do not hesitate to call me if you have questions.

Thnak You!

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
