Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Group Day Care Homes, 290-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

It was determined during an investigation that on undetermined dates on the week of November 13, 2017, space heaters were used to supplement the central heat . Based on staff statements a heater was plugged in on the rear left side of room A and sat on the floor near the cots and was blocked by a child size chair, as well as staff stated children were not allowed to access the area. It was determined that the chair was no sufficient to prevent children from touching the heater. Based on the observation this date, a space heater was stored on the floor in another corner classroom A .The heater was not in use.

**POI (Plan of Improvement)**

The Center will re-position or re-install equipment, as needed, and will make all such equipment inaccessible to children or remove equipment from the classroom.
