The purpose of the TA by phone was to follow up with the provider for the CI/MV conducted on 11/26/19 where they fell into support status. The consultant discussed the following citations with the provider. Ratios, mix-ages, and supervision. The provider will use a staffing agency that the TA consultant emailed to the center. The consultant also discussed going to the local colleges, technical colleges, and Atlanta technical college to find part time help. The provider will ensure that she takes all of the children to open the front door if she is short staffed. They will not allow one teacher to open the front door, while the other teacher stands in between two classrooms. The consultant will follow up with the provider in person in one week to ensure that they were able to find a consistent agency to use for staffing emergencies.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
