Technical Assistance

591-1-1-.09(1)(h) requires the Center to ensure that every Provisional Employee requests child abuse and neglect registry information and criminal history documents from any U.S. state, territory or tribal land other than Georgia in which they have resided in the preceding five years and submit such documents to the Department in a timely manner. Failure to request out-of-state information will result in the issuance of an unsatisfactory Comprehensive Records Check Determination. It was determined during consultant review of Comprehensive Records Check one staff had National background checks with pending out of state results.
