The consultant discussed the following information regarding criminal record checks with the director:

- Monitor the expiration dates of all staff members', therapist, independent contractors, and/or volunteers criminal record check letters.
- Submit a portability request via DECAL KOALA for newly hired staff members, therapist, independent contractors, and/or volunteers that have a previous satisfactory comprehensive criminal record check letter issued by the department.

- Ensure that all newly hired, seasonal staff members, therapist, independent contractors, and/or volunteers with a six-month break of employment from child care submit an updated criminal record check application and complete the fingerprinting process prior to rendering services for child care services.

Comment

The director provided two files for staff members hired since the previous visit was conducted on September 10, 2020. The consultant observed two of two newly hired staff members to have evidence of a satisfactory comprehensive determination letter on file.

Finding

591-1-1-.09(1)(c) requires the Center to ensure that every Employee has a valid and current satisfactory Comprehensive Records Check Determination on file prior to being present at the Center while any child is present for care or before an individual age 17 or older resides in the Center. The Comprehensive Records Check Determination must have a Records Check Clearance Date that is no older than the preceding 12 months of the hire date; provided, however, if the Employee has had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, a new satisfactory Comprehensive Records Check Determination is required. It was determined based on review of staff records that staff member #1, date of hire January 29, 2021, and staff member #5, date of hire October 19, 2020, had evidence of a satisfactory comprehensive records check determination letter on file that was dated between one month and two weeks to five months after their date of hire. Staff member #1 received a satisfactory comprehensive records check determination letter dated for March 26, 2021 and staff member #5 received a satisfactory comprehensive records check determination letter dated for March 25, 2021. A one-day letter was left.
