Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Incident Investigation Closure:

**Policies and Procedures**

**591-1-1-.29 Required Reporting**

**Not Met**

**Finding Associated with Complaint**

591-1-1-.29(3) requires the Director or designated person-in-charge to report or cause to be reported to the Department within 24 hours or the next work day: any death of a child while in the care of the Center; any serious illness or injury requiring hospitalization or professional medical attention other than first aid of a child while in the care of the Center; any situation when a child in care becomes missing, such as, but not limited to, a child who is left on a vehicle, a child who leaves the building, playground, or property, or a child who is left behind on any trip; any fire; any structural disaster; and any emergency situation that requires temporarily relocating children. It was determined based on a compliant investigation that the center failed to report that a two year old child left the building and entered the parking lot without supervise during departure time.

**POI (Plan of Improvement)**

The Center will develop a procedure so everyone knows how and when to report these incidents to the Department and will follow-up to make sure they are reported as required.

**Correction Deadline: 4/4/2018**

**Staffing and Supervision**

**591-1-1-.32 Supervision(CR)**

**Not Met**

**Finding Associated with Complaint**

591-1-1-.32(7) requires that children be supervised at all times and that the persons supervising in the child care area be alert, able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the chaperones and Students-in-Training, and provide timely attention to the children's actions and needs. It was determined based on a compliant investigation that a two year old child left the building through the front door as other parents were leaving the building and enter the parking lot. Based on the director's and staff report the child as able to make it to the parking lot before the teacher was able to bring him back into the classroom.

**POI (Plan of Improvement)**

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.

**Correction Deadline: 4/4/2018**
