Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

## Health and Hygiene

**591-1-1-.10 Diapering Areas & Practices(CR)**

**Not Met**

### Finding Associated with Complaint

591-1-1-.10(4) requires that if diapers are changed on a diaper changing surface, the surface shall be smooth, nonporous, and equipped with a guard or rails to prevent falls. Between each diaper change, the diaper changing surface shall be cleaned with a disinfectant and dried with a single-use disposable towel. It was determined based on review of center video that on August 29, 2017, a staff member was observed to diaper a one-year-old child and not disinfect the diapering surface afterwards. The staff was observed to diaper the child on a white sheet of paper and once the staff was done, the white sheet was thrown in the trash and a new sheet was put on the table and another child was diapered.

### POI (Plan of Improvement)

The Center will ensure there is a smooth, nonporous changing surface that has a guard or rails for safety in each classroom that houses children wearing diapers. Center Staff will be trained and have adequate supplies to properly clean the diaper changing surface between each diaper change.

**Correction Deadline: 9/5/2017**

It was determined based on review of the center video that on August 29, 2017, a staff member in the one-year-old classroom was observed to diaper a child and not wash the child's hands afterwards.

### POI (Plan of Improvement)

**Correction Deadline: 9/5/2017**
