Comments

Please ensure to review rules and regulations for updates.
 Reminder: please electronically port all staff present at the facility who came from another center.

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Finding

591-1-1-.36(3)(a-b) requires any Center that provides any type of transportation to obtain two (2) hours of state-approved or state-accepted transportation training, biannually, for the Director and for each person responsible for or who participates in the transportation of children. The training shall include, but is not limited to, a review of the transportation rules, a review of approved transportation forms and procedures, and instruction on the usage and completion of the forms and procedures. This training may be counted as part of the annual training requirements for Staff. It was determined based on a review of records that a driver hired on August 14, 2019 did not have evidence of transportation training.

POI (Plan of Improvement)

The Center will ensure that the Director, Center Staff, and any person responsible for the transportation of children has completed the required transportation training.
