Plan of Improvement: Developed This Date 06/15/2021

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.al.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

#### Refutation Process:

You have the right to refute any of the citations noted in this report with which you disagree. To refute a citation(s), e-mail the following information to [CCSRefutations@dec.al.ga.gov](mailto:CCSRefutations@dec.al.ga.gov).

- 1) Facility name, license number and visit date
- 2) Your name, title/relationship to the facility, e-mail address & up to two phone number(s) where you can be reached
- 3) Specific rule number(s) that you are refuting, along with your concerns or questions regarding the rule citation

Refutations must be submitted to Child Care Services (CCS) within 10 business days of the completion date.

A sample form for submitting a refutation can be found at: <http://dec.al.ga.gov/ChildCareServices/RefutationInformation.aspx>

Your refutation will be forwarded to the appropriate CCS manager, who will follow up with you about your concerns. If you have any questions about this process, contact our office at 404-657-5562.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

#### Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

### Activities and Equipment

#### 591-1-1-.03 Activities

Not Met

##### Finding

591-1-1-.03(10) requires Center Staff to provide routines for toileting, eating, resting, napping (depending upon the age of the children), intervals between activities and doing school homework, if any. Staff shall assist and encourage each child to become independent in the development of self-help skills, such as washing hands and face, dressing, eating and toileting. It was determined based on observation that the left and far left classrooms were observed to be without daily schedules.

##### POI (Plan of Improvement)

The center will review current practices, develop routines where needed, train Staff and monitor regularly.

---

**591-1-1-.25 Physical Plant - Safe Environment(CR)****Not Met****Finding**

591-1-1-.25(3) requires the Center and surrounding premises to be kept clean, free of debris and in good repair. Hygienic measures such as, but not limited to, screened windows and proper waste disposal procedures shall be utilized to minimize the presence of rodents, flies, roaches and other vermin at the Center. It was determined based on observation that the toilet lid in the boys bathroom of the right classroom was observed to be cracked with sharp edges.

**POI (Plan of Improvement)**

The Center will have the Center and surrounding areas cleaned, make repairs where needed, and remove all debris is removed. The Center will implement a plan to keep areas clean and in good repair that includes regular monitoring.

**Correction Deadline: 6/15/2021**

---

**591-1-1-.26 Playgrounds(CR)****Not Met****Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on observation that the infant play porch was observed to have gaps which pose entrapment hazards on the right and middle sections of the wooden lattice. It was further determined that a four inch gap was observed where the right side and middle fencing meet.

**POI (Plan of Improvement)**

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

**Correction Deadline: 6/15/2021****Finding**

591-1-1-.26(6) requires that playground equipment provide an opportunity for the children to engage in a variety of experiences and shall be age-appropriate. For example, toddlers shall not be permitted to swing in swings designed for School-age Children. The outdoor equipment shall be free of lead-based paint, sharp corners and shall be regularly maintained in such a way as to be free of rust and splinters that could pose significant safety hazard to the children. All equipment shall be arranged so as not to obstruct supervision of children. It was determined based on observation that the wooden sand/water table was observed to have splintering wood with sharp edges exposed.

**POI (Plan of Improvement)**

The Center will provide a variety of age-appropriate equipment that is arranged so as not to obstruct supervision of children. Staff will check the equipment daily to ensure that the equipment is free of hazards, rust and splinters.

#### Finding

591-1-1-.30(1)(a) requires a crib that is safety approved in compliance with Consumer Product Safety Commission (CPSC) and American Society of Testing and Materials International (ASTM) safety standards be provided for each infant. It was determined based on observation that the center had three infants enrolled with two cribs available on this date.

#### POI (Plan of Improvement)

The Center will provide a crib that is safety approved in compliance with CPSC and ASTM safety standards for each infant.

**Correction Deadline: 6/25/2021**

**Finding**

591-1-1-.30(2) requires the Center to provide a safe sleep environment in accordance with American Academy of Pediatrics (AAP), Consumer Product Safety Commission (CPSC) and American Society for Testing and Materials (ASTM) recommendations as listed in these rules for all infants. Center Staff shall place an infant to sleep on the infant's back in a crib unless the Center has been provided a physician's written statement authorizing another sleep position for that particular infant that includes how the infant shall be placed to sleep and a time frame that the instructions are to be followed. When an infant can easily turn over from back to front and back again, Staff shall continue to put the infant to sleep initially on the infant's back but allow the infant to roll over into his or her preferred position and not re-position the infant. Sleepers, sleep sacks and wearable blankets that fit according to the commercial manufacturer's guidelines and will not slide up around the infant's face may be used when necessary for the comfort of the sleeping infant. Swaddling shall not be used unless the Center has been provided a physician's written statement authorizing its use for a particular infant that includes instructions and a time frame for swaddling the infant. Center Staff shall not place objects or allow objects to be placed in or on the crib with an infant such as but not limited to toys, pillows, quilts, comforters, bumper pads, sheepskins, stuffed toys, or other soft items and shall not attach objects or allow objects to be attached to a crib with a sleeping infant, such as, but not limited to, crib gyms, toys, mirrors and mobiles. It was determined based on observation that two infants were observed to be sleeping in cribs with blankets present.

**POI (Plan of Improvement)**

The Center will take all steps necessary to provide a safe sleep environment for infants as listed in these rules; will train Staff to follow these rules; and will monitor for compliance.

**Correction Deadline: 6/15/2021**

**Finding**

591-1-1-.30(2)(c) requires that infants shall not sleep in equipment other than safety-approved cribs, such as, but not limited to, a car safety seat, bouncy seat, highchair, or swing. Infants who arrive at the Center asleep or fall asleep in such equipment, on the floor or elsewhere, shall be transferred to a safety-approved crib. It was determined based on observation that an infant was observed to be sleeping in a bouncy seat.

**POI (Plan of Improvement)**

The Center will only place infants in safe cribs to sleep and will transfer them to a safe crib when the infants are asleep in other equipment.

**591-1-1-.14 First Aid & CPR Not Met**

**Finding**

591-1-1-.14(1) requires the Center Director and, at any given time, at least fifty percent (50%) of the caregiver Staff to successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid. The first aid training must be done by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Center shall maintain current evidence of the successful completion of such training which shall be available to the Department for inspection. It was determined based on observation that the director and other staff were observed to be without satisfactory First Aid and CPR training. Staff were observed to have online CPR/First Aid training which is not accepted.

**POI (Plan of Improvement)**

The Center Director and at least 50% of the caregiver Staff will complete the needed training. The Director will send written verification to the consultant upon completion and will develop a plan to ensure that at least 50% of the caregiver Staff have completed this training at any given time and that evidence of successful completion of the training is on file available for inspection.

**Correction Deadline: 7/15/2021**

**591-1-1-.33 Staff Training Not Met**

**Finding**

591-1-1-.33(3) requires each Staff member with direct care responsibilities to complete health and safety orientation training within the first 90 days of employment. The state-approved training hours obtained will count toward required first year training hours. The training must address the following health and safety topics: prevention and control of infectious diseases (including immunizations); prevention of sudden infant death syndrome and use of safe sleeping practices; administration of medication, consistent with standards for parental consent; prevention of and response to emergencies due to food and allergic reactions; building and physical premises safety, including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water, and vehicular traffic; prevention of shaken baby syndrome, abusive head trauma and child maltreatment; emergency preparedness and response planning for emergencies resulting from a natural disaster or a human-caused event (such as violence at a child care facility); handling and storage of hazardous materials and the appropriate disposal of bio contaminants; precautions in transporting children; recognition and reporting of child abuse and neglect; and child development. It was determined based on observation that one staff hired on January 11, 2021, was observed to be with Health & Safety within the first 90 days of employment.

**POI (Plan of Improvement)**

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates and will ensure that the training includes all required components as required.

**Correction Deadline: 7/15/2021**

**Finding**

91-1-1-.33(5) requires that every calendar year after the first year of employment, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers shall attend ten (10) clock hours of diverse training which is task-focused in on-going health, safety and early childhood or child development related topics and which is offered by an accredited college, university or vocational program or other Department-approved source. The annual ten (10) clock hours of training shall be chosen from the following fields: child development, including discipline, guidance, nutrition, injury control and safety; health, including sanitation, disease control, cleanliness, detection and disposition of illness; child abuse and neglect, including identification and reporting, and meeting the needs of abused and/or neglected children; and business related topics, including parental communication, recordkeeping, etc.; provided however that such business related training shall be limited to no more than two (2) of the required ten (10) clock hours of training. Records of completion of such training shall be maintained, as required by these rules. It was determined based on observation that 3 of 6 staff were observed to be without annual ongoing training for 2020.

**POI (Plan of Improvement)**

The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.
