Advisement of Potential for Repeated Rule Violations during Pending Investigations

This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should or should not be substantiated. Please be aware that the investigation may take some time to be finalized to ensure fairness and accuracy. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Please refer to the website, <http://www.decal.ga.gov/CCS/RulesAndRegulations.aspx>, for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

Finding Associated with Complaint

591-1-1-.15(6)(a) requires the Center to serve all scheduled meals and snacks to children when they are present. In those Centers where the Parent(s) of children enrolled provide the meals and snacks, the Center shall ensure that no child remains at the Center without receiving the scheduled nutritious meals and snacks. There shall be a period of at least two (2) hours between each required meal or snack. The following meals and snacks shall be scheduled and served by the Center when appropriate: breakfast or morning snack, lunch, an afternoon snack, supper during evening care, and evening snack prior to bedtime, if the Center provides night-time care. It was determined based on staff interviews, child interviews, and statements that there was sufficient evidence that was received to determine that the center staff failed to provide scheduled afternoon snack to the school age children in care on September 19, 2019. Center staff stated that on September 19, 2019, the center was missing the 100 % Orange Juice PM snack component for seven (7) after school children. Center Staff stated that since the PM snack shortage has occurred a plan was implemented to order additional snacks and drinks to be kept on site for the children's consumption.

POI (Plan of Improvement)

The Center will schedule all required nutritious meals and snacks at least two hours apart and will serve them to each child who is present. Staff will be trained to determine if meals provided by parents meet nutritional guidelines and to provide any missing items.
