Plan of Improvement: Developed This Date 03/20/2019

Any rule violation which subjects a child to injury or life-threatening situation or any rule violations previously cited but not corrected, may result in the imposition of an adverse enforcement action. Serious or continued noncompliance may also jeopardize participation in one or more DECAL program(s).

Please refer to the website, <http://www.dec.state.ga.us/CCS/Regulations.aspx> , for information regarding October 1, 2018 rule changes about Criminal Records Checks that may affect your facility. In summary,

- New records checks will be required to be completed if a staff member experiences a six month break in service from the child care industry
- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

O.C.G.A. Section 42.1.12(i)(2) requires Bright from the Start: Georgia Department of Early Care and Learning to notify licensed child care programs on accessing and retrieving from the Georgia Bureau of Investigation's (GBI) website a list of the names and addresses of all registered sexual offenders. Please see GBI's website located at <http://gbi.georgia.gov> to access the Georgia Sex Offender Registry.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

Important New Deadlines:

Your program must be Quality Rated by December 31, 2020 in order to continue to receive Childcare and Parent Services (CAPS).

591-1-1-.25(7) requires that doors to rooms not approved for child care, other than the kitchen doors, be latched or locked so children cannot wander into those areas. Except in School-age Centers, interior Center door locks shall permit Personnel to open the locked room from outside of the room in an emergency. It was determined based on consultant's observation that three doors on the left headed towards the kitchen were unlocked and accessible to children.

POI (Plan of Improvement)

The Center will routinely check that doors to unapproved rooms remain latched or locked and that Staff can open the locked rooms in an emergency.

591-1-1-.26 Playgrounds(CR)**Not Met****Finding**

591-1-1-.26(8) requires climbing and swinging equipment to have a resilient surface beneath the equipment and the fall zone from such equipment must be adequately maintained by the Center to assure continuing resiliency. It was determined based on consultant's observation that the resilient surfacing within the fall zone of the swing and slides measured approximately three inches when six inches were required.

POI (Plan of Improvement)

The Center will add additional resilient surfacing to the fall zones where needed and check daily, adding resilient surfacing as needed to maintain adequate resiliency.

591-1-1-.33(4) requires all Staff who provide any direct care to children, except independent contractors, Students-in-Training and volunteers, to obtain ten (10) clock hours of training or instruction in child care issues from an accredited school or Department-approved source. At least six (6) of the clock hours must be divided as follows: four (4) clock hours of training in any of the following topics: disease control, cleanliness, basic hygiene, illness detection, illness disposition and childhood injury control and two (2) clock hours of training in identifying, reporting and meeting the needs of abused, neglected or deprived children. It was determined based on a review of records that a staff person hired prior to August 1, 2017 did not obtain the required 10 hours of training by August 1, 2018 as required.

POI (Plan of Improvement)

The Center will plan and schedule training and follow up to ensure that direct care Staff complete the required hours of training in the required subjects.
