Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. If an emergency situation arises which makes it impossible to give thirty (30) days' notice, the management of the Center shall notify the Department by telephone and shall submit an application for an amended License as soon as management becomes aware of the change that will be necessitated by the emergency situation. In no case, however, shall a new owner operate the Center without first securing a new License or Permit from the Department. It was determined based on observation and staff statements that the program is using a playground and cafeteria that is not licensed.
