Consultant requested to view all Criminal Record checks for employees hired after last visit. Director stated that there have been no new hires since last visit

Finding

591-1-1-.09(1)(d) requires each Employee and Center Director hired on or after January 1, 2014 to have a satisfactory Fingerprint Records Check Determination with a Records Check Clearance date that is within 12 months of their hire date. In order for the Department to issue a satisfactory Fingerprint Records Check Determination, each Employee and Director must submit both a Fingerprint Records Check Application to the Department and Fingerprints to an authorized fingerprinting site. It was determined based on the consultant's review of records and staff statement that an employee hired on September 1, 2017 did not have a satisfactory Fingerprint Records Check Determination with a Records Check Clearance date that is within 12 months of their hire date.

POI (Plan of Improvement)

The Center will ensure that each director and employee hired after January 1, 2014 has a satisfactory Fingerprint Records Check Determination dated within 12 months of the hire date and will submit the required documents to obtain the determination if they have not already done so.
