Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

It was determined that inappropriate supervision occurred on December 14, 2017, when one staff member were left to supervise the infant classroom and the one-year-old classroom alone. Also, it was determined, during an investigation that inappropriate supervision occurred on December 4, 2017, when a one-year-old child attempted to climb out of the crib during nap time. It was revealed that no staff member was present inside the classroom at the time the child attempted to climb out of the crib. A staff member sweeping the hallway observed the child and was able to run inside the classroom and catch the child before the child was able to climb completely out of the crib. .

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times.
