This report shall serve as official notice of potential rule violations. These potential rule violations have been detailed in this report and discussed with you by the consultant. The department shall conduct a thorough investigation to determine if in fact the alleged rule violation(s) should or should not be substantiated. During this investigation period, any violations of an identical rule or rules will require the department to treat any and all substantiated rule violations identified in the investigation as repeated rule violation(s).

Further, from time to time the department discovers additional rule violations during the course of an investigation. If there are new rule violation(s), your consultant shall inform you of the violation(s) as soon as possible. However, as stated above, any violations of identical rule(s) will require the department to treat any and all additional rule violations identified in the investigation as repeated rule violations.

All rule violations found in relation to a complaint or incident investigation will be associated with the date the investigation was closed.

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Policies and Procedures

591-1-1-.21 Operational Policies & Procedures

Not Met

Finding Associated with Complaint

591-1-1-.21(1)(a-o) requires the Center to establish and implement written policies and procedures that describe the Center's operations as follows: a) services to be provided, ages of children served, days and times of operations and days and times closed; b) enrollment and admission requirements specifying Parents' responsibilities for supplying needed information and escorting the child to and from the Center; c) a fee and payment schedule with standard fees, fees related to absences and vacations and other fees such as for transportation and late fees; d) Center's transportation and field trip services; e) administration of medication and Parent notification of adverse reactions to prescribed medication; f) Parental notification in cases of illness/injury and exclusion of sick children; g) Parental notification when a notifiable communicable disease is present; h) handling of medical emergencies; i) meals and snacks served, including guidelines for food brought from child's home; j) access by the Parents to all Center areas used by the child; k) child abuse reporting law requirements; l) behavior management and discipline actions used; m) nondiscrimination statement; n) Center sponsored religious and cultural activities; and o) diapering, toilet training and feeding procedures. It was determined based on review of records that the Center's handbook does not indicate that parents have access to the center at anytime while children are in care. The parent handbook indicated on page seven that "Parents of the older children are invited to visit the school and participate in their child's class for part of the morning. these visits may begin after the first six weeks and before the last four weeks of the school and are set up by the parents with the child's teacher.

POI (Plan of Improvement)

The Center will revise their policies and procedures to include all required information and update as needed.

Correction Deadline: 11/20/2018

Safety

Finding Associated with Complaint

591-1-1-.11(1) requires that disciplinary actions used to correct a child's behavior, guidance techniques and any activities in which the children participate or observe at the Center shall not be detrimental to the physical or mental health of any child. It was determined based on staff interviews that on October 26, 2018, two employees got into a verbal altercation in front of children in the toddler classroom regarding one employee's discipline techniques.

POI (Plan of Improvement)

Center staff will cease use of this disciplinary method; the director will provide staff training on appropriate child guidance techniques and have a system in place to monitor and identify/prevent inappropriate actions.

Correction Deadline: 11/20/2018
