Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

Finding Associated with Complaint

591-1-1-.12(1) requires each Employee and child in attendance to use all indoor and outdoor furniture, activity materials, and equipment in a safe and appropriate manner and in accordance with the manufacturer's instructions, recommendations, and intended use. All equipment and furniture shall be used only by the age-appropriate group of children. It was determined based on observation that on June 6, 2018 at 10:25 AM a two-year-old was allowed to swing on a swing on their tummy during outside play which resulted in the child sustaining a busted lip when the child collided with another student.

POI (Plan of Improvement)

The Center will ensure Staff are trained in and children are taught the proper use of all furniture, materials and equipment; will implement a plan for this information to be reviewed with both groups on an ongoing basis; and for monitoring proper and age-appropriate usage.
