If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

591-1-1-.09 Criminal Records and Comprehensive Background Checks(CR)**Not Met****Finding**

591-1-1-.09(1)(h) requires the Center to ensure that every Provisional Employee requests child abuse and neglect registry information and criminal history documents from any U.S. state, territory or tribal land other than Georgia in which they have resided in the preceding five years and submit such documents to the Department in a timely manner. Failure to request out-of-state information will result in the issuance of an unsatisfactory Comprehensive Records Check Determination. It was determined based on review of records that one staff member who resided outside of the state of Georgia in the preceding 5 years, did not request out of state criminal records.

POI (Plan of Improvement)

The Center will ensure that every Provisional Employee requests child abuse and neglect registry information and criminal history documents from any U.S. state, territory or tribal land other than Georgia in which they have resided in the preceding five years and submit such documents to the Department in a timely manner in order to avoid the issuance of an unsatisfactory Comprehensive Records Check Determination.

591-1-1-.09(1)(j) requires that for portability for Directors, Employees and Provisional Employees, excluding Students-in-Training, only the most recently issued determination letter is eligible for portability and must be ported electronically. A Center may accept a satisfactory Fingerprint Records Check Determination letter or a satisfactory Comprehensive Records Check Determination letter issued by the Department if the Records Check Clearance Date is within the preceding 12 months from the hire date, the individual has not had a lapse of employment from the child care industry that lasted for 180 days (6 months) or longer, and the Center does not know or reasonably should not know that the individual's satisfactory status has changed. It was determined based on review of records that a portability was not requested for one staff member.
