#### **Finding**

591-1-1-.33(3) requires each staff member with direct care responsibilities to complete health and safety training at the time of employment that will count toward required annual training: Staff employed prior to September 30, 2016 will complete the training by December 29, 2016 and Staff employed after September 30, 2016 will complete the health and safety training within the first 90 days of employment. It was determined based on a review of records that one staff member did not have evidence of completing the Health and Safety training on file.

# POI (Plan of Improvement)

The Center will develop and implement a plan to schedule and track this training for all employees based on their hire dates. The staff member states that she has taken the class but the training certificate was misplaced. The staff member will obtain a copy of the certificate and place in file.
