**591-1-1-.26 Playgrounds(CR)** **Not Met**

**Finding**

591-1-1-.26(4) requires that playgrounds be protected from traffic or other hazards by a (4) four foot high fence or other barrier approved by this Department. Fencing material shall not present a hazard to children and shall be maintained so as to prevent children from leaving the playground area by any means other than through an approved access route. Fence gates shall be kept closed except when persons are entering or exiting the area. It was determined based on the consultant's observation that the fencing on the right front section measured three feet, three inches due to the pile up of leaves and resilient materials. It was further determined based on the consultant's observation that the fencing on the left corner measured three feet, five inches due to the pile up of leaves and resilient materials. It was further determined based on the consultant's observation that the fencing on the front left measured three feet, five inches due to the pile up of leaves and resilient materials.

**POI (Plan of Improvement)**

The Center will routinely check the fence to determine if it is in good repair and remains at least 4 feet high, and will repair any hazards. The Center will train Staff to identify and report any fence hazards and to keep the fence gates closed when not in use.

**Policies and Procedures**

---

---

**591-1-1-.21 Operational Policies & Procedures****Not Met****Finding**

591-1-1-.21(1)(p) requires the Center to have a written plan for handling emergencies, including but not limited to severe weather, loss of electrical power or water and death, serious injury or loss of a child, a threatening event, or natural disaster which may occur at the Center; to have in place procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, and continuity of operations. The plan must apply to all children in care and include specific accommodations for infants and toddlers, children with disabilities, and children with chronic medical conditions and shall include assurance that no Center Personnel will impede in any way the delivery of emergency care or services to a child by licensed or certified emergency health care professionals. It was determined based on the consultant's review that the center did not update their emergency plan as required.

**POI (Plan of Improvement)**

The Center will write or revise an emergency plan that includes all of the required items.

---

**591-1-1-.14 First Aid & CPR****Not Met****Comment**

Complete kits observed in center and on vehicles.

**Finding**

591-1-1-.14(1) requires the Center Director and, at any given time, at least fifty percent (50%) of the caregiver Staff to successfully complete a biennial training program in cardiopulmonary resuscitation (CPR) and a triennial training program in first aid. The first aid training must be done by certified or licensed health care professionals or trainers and must deal with the provision of emergency care to infants and children. The Center shall maintain current evidence of the successful completion of such training which shall be available to the Department for inspection. It was determined based on the consultant's review that no staff had current first aid and cpr training on this date.

**POI (Plan of Improvement)**

The Center Director and at least 50% of the caregiver Staff will complete the needed training. The Director will send written verification to the consultant upon completion and will develop a plan to ensure that at least 50% of the caregiver Staff have completed this training at any given time and that evidence of successful completion of the training is on file available for inspection.

**Correction Deadline: 2/21/2018****Finding**

591-1-1-.14(2) requires a Staff member who is trained in CPR and first aid to be on the premises and on any field trip whenever any child is present. In addition, Staff who provide direct care to children must satisfactorily obtain certification in first aid and CPR by December 29, 2016 if employed prior to September 30, 2016 and within 90 days of their hire date if employed after September 30, 2016. It was determined based on the consultant's review of records that no staff present had current first aid and cpr training.

**POI (Plan of Improvement)**

The Center will develop a schedule to ensure there is always a staff person with current first aid and CPR training present and will develop and implement a plan to ensure all staff members have satisfactorily completed first aid and CPR training by the specified date.

**Correction Deadline: 2/21/2018**

---

**591-1-1-.33 Staff Training****Not Met****Finding**

591-1-1-.33(6) requires, in the first year of employment and then by calendar year thereafter, all supervisory and caregiver Personnel, except independent contractors, Students-in-Training and volunteers to attend ten (10) clock hours of training which is task-focused in early childhood education or child development or subjects relating to job assignment and is offered by an accredited college, university or vocational program or other Department-approved source. It was determined based on the consultant's review of records that one staff member did not complete ten hours of training for physical year 2017.

**POI (Plan of Improvement)**

The Center will plan and schedule the required 10 hours of annual training each year and follow up to ensure the training is completed.

**Correction Deadline: 2/21/2018**

---

**591-1-1-.31 Staff(CR)****Met**

**Comment**

Discussed that all lead staff must enroll in an approved education program within 6 months of hire and complete degree within 18 months.
