**Comments**

A Plan of improvement visit was conducted on this date to follow-up the Licensing Study conducted on August 8, 2018. All the corrections were made, and no concerns were observed on this date. The Director stated the regional consultant deferred documenting transportation during the August 8, 2018, visit so that they can actually observe how the children are checked off and on the center's vehicle during the next regulatory visit.

The adult worksheet was updated on this date.

Plan of Improvement: No Plan Developed

- New clearance is required at least once every five years
- Any staff member solely responsible for supervising children will be required to have completed a comprehensive background clearance
- All staff members are required to have completed at least a national fingerprint based clearance check
- Any staff member with only the national fingerprint based clearance, must be under constant and direct supervision of a staff member with a satisfactory comprehensive records check clearance
- Facilities are required to use DECAL KOALA for Criminal Records Checks, including to verify portability of an employee

Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)
