Bright from the Start recommends that all licensed child care providers carry liability insurance coverage sufficient to protect its clients. If you do not have this liability insurance, you are required to post a notice with ½ inch letters in a conspicuous location in the program, notify the parent or guardian of each child in care in writing, obtain their signature to acknowledge receipt and maintain this written acknowledgment on file at the program at all times while the child attends the program and for 12 months after the child's last date of attendance. (O.C.G.A. Section 20-1A-4)

I have read and understand the Rules and Regulations for Child Care Learning Centers, 591-1-1. I acknowledge that the items noted in this report have been discussed with me and I have agreed to a Plan of Improvement (POI) as indicated in this report. I understand that correction of these deficiencies, while required, will not necessarily prevent DECAL from taking adverse action against this facility. I understand that if I disagree with any of the deficiencies cited, I have the right to refute them on this report or any other form that I choose to send to Child Care Services.

The following information is associated with a Complaint Closure:

Staffing and Supervision

591-1-1-.32 Supervision(CR)

Not Met

Finding Associated with Complaint

591-1-1-.32(7) requires that children be supervised at all times and that the persons supervising in the child care area be alert, able to respond promptly to the needs and actions of the children being supervised, as well as the actions of the chaperones and Students-in-Training, and provide timely attention to the children's actions and needs. It was determined that staff failed to provide proper supervision on February 8, 2018, when a sixteen month old child left the classroom and ran down the hallway of the center. Another teacher saw the child and took the child to the Director.

POI (Plan of Improvement)

The Center will train Staff and monitor to ensure they are providing supervision and watchful oversight to the children at all times. The staff member was terminated. The Director has provided additional training on supervision for the staff. Staff signed a memo regarding proper supervision.
